PROFESSIONAL SUMMARY

Backend Developer and AI & Data Science student skilled in Java, Python, MySQL, and REST API development. Experienced in building data-driven applications and machine learning models with strong foundations in DSA, OOP, and SQL optimization.

EDUCATION

B.Tech — Artificial Intelligence & Data Science | Simats Engineering, Chennai | 2023 – 2027

CGPA: 8.34 / 10

Higher Secondary (XII) | Velammal Matriculation Hr. Sec. School | 2023

Percentage: 70%

TECHNICAL SKILLS

Languages: Java, Python, C

Backend: REST API Development, Spring Boot, JDBC, API Testing

Database: MySQL, DBMS, SQL Optimization

ML & Data: Machine Learning, Pandas, Scikit-learn, NumPy

Tools: Git, Jupyter Notebook, Postman

PROJECTS

Retail Demand Forecasting System — *Python, Pandas, Scikit-learn* [Portfolio](#)

- Built a Random Forest model achieving 89% accuracy on retail sales data
- Improved inventory and pricing decisions by 30% through predictive analytics

Clickbait Detection System — *Python, Scikit-learn, NLTK* [Portfolio](#)

- Developed NLP classification model with 91% accuracy on 10,000+ headlines
- Applied TF-IDF, Logistic Regression, and Naive Bayes for comparison

REST API Backend Application — *Java, MySQL, JDBC, Postman* [Portfolio](#)

- Built full CRUD backend in Java with an optimized MySQL schema
- Tested and validated all endpoints using Postman
- Deployed backend service using Spring Boot on local server environment

EXPERIENCE

Cloud Computing Intern | [NetworkGeeks](#) |

- Reduced deployment configuration time by 25% using cloud automation tools

Data Science Intern | [NetworkGeeks](#) |

- Built ML pipelines using Pandas and Scikit-learn with consistent accuracy above 85%

CERTIFICATIONS

✓ Oracle Certified — Database Management System (2024)

✓ Java Assessment — 91st Percentile

✓ Python Algorithms

✓ AI for Beginners — HP LIFE

✓ Data Science & Analytics — HP LIFE

✓ Agile Project Management — HP LIFE

ACHIEVEMENTS

- **Ranked 4916 / 51,958** in Java Assessment (91st Percentile)
- **Oracle Certified** in Database Management System (2024)
- **Completed 3 ML projects** with >88% accuracy
- **CGPA: 8.34 / 10** — B.Tech AI & Data Science, Simats Engineering

CORE COMPETENCIES

Problem-Solving | Analytical Thinking | Leadership
